TELIMUM  
TETRA

The Desk/5000 meets the most demanding use cases, turning the point of sale into a point of service capable of running interactive business apps on its large 3.5-inch touchscreen.

**Highest Security**

The Desk/5000 is PCI-PTS 5.x certified and satisfies the latest hardware and software security requirements. Its Telium TETRA OS uses the latest cryptographic schemes with future-proof key length.

**All Payment options**

The Desk/5000 supports all forms of electronic payments including EMV chip & PIN, chip & sign, magstripe, signature capture, and NFC/contactless.

**User-friendly and intuitive interface**

Featuring powerful multimedia capabilities and a large 3.5-inch touchscreen, the Desk/5000 provides best-in-class user experiences thanks to a rich interface.

**Network Connectivity options**

The DESK/5000 includes Ethernet and modem for easy network connectivity.

**Seamless NFC payment**

The Desk/5000 seamlessly enables contactless payment acceptance by providing a dedicated customer-facing NFC card reader zone for faster transaction flows.

**Open ecosystem of HTML5 business apps**

The Desk/5000 combines a proven and secure OS, specifically used for payment, with the openness of HTML5, CSS3 and JavaScript. By securely running HTML5 applications right on the smart terminal, merchants can provide enhanced consumer experiences and create additional value for their business.

**An OS with secure payment and creative freedom**

Backed by 30 years of experience, the Telium TETRA Operating System is the perfect combination of Ingenico Group's legacy in payment expertise and openness to the web. It embeds the best security mechanisms to protect transaction privacy, while enabling the deployment of HTML5 web-based rich media business apps.

NAME			Desk/5000
Processor	Application & crypto processor	Cortex A5	●
Memory	Internal External	512 MB Flash, 512 MB RAM MicroSD up to 32GB	● ●
OS		Telium TETRA OS	●
SAM		2 SAM	●
Card Readers	Magstripe Smart card Contactless	ISO 1/2/3, 500K lifespan EMV Level 1, 500K lifespan EMV Level 1 compliant	● ● ●
